Education

Prathyusha Engineering College

B.E Computer Science and Engineering - **CGPA: 8.891**

Graduated in 2025

Tiruvallur, TamilNadu

P.A.K. Palanisamy Higher Secondary School

- HSC with a score of: **90%**
- SSLC with a score of: **85%**

Chennai, TamilNadu

Graduated in 2021

Graduated in 2019

Technical Skills

- **Languages:** Java, JavaScript
- **Technologies/Frameworks:** HTML, CSS, React.js
- **Database:** SQL
- **Version Control:** Git and GitHub
- **Development Tools:** VS Code, IntelliJ IDEA

Projects

1. Real-Time Collaborative Code Editor with AI Assistance | *React, Nodejs, Socket io*

- Built a Real-Time Collaborative Code Editor which allowing multiple users to **write, edit, and debug code together in real time**, enhanced with **intelligent code suggestions** and explanations
- Implemented the platform using **React.js, Node.js, and Socket.IO** to enable seamless, low-latency real-time collaboration with multi-user synchronization.
- Integrated **Gemini API** for AI-powered coding assistance, providing **code suggestions, bug detection, and code explanations**.

2. Live Weather Website | *JavaScript, HTML, CSS*

- Developed a **responsive weather website** using a reliable API to provide **real-time global weather updates**.
- Implemented JavaScript for dynamic **data fetching** and integrated **asynchronous requests** for API communication
- Integrated a user-friendly **search feature** for seamless **location-based weather information retrieval**.

3. E-Commerce Website | *JavaScript, HTML, CSS*

- Developed a dynamic **E-commerce website** using HTML, CSS, and JavaScript for the frontend to create an interactive user interface
- Integrated **JSP, JDBC, and SQL** for backend functionality, including **add-to-cart functionality** and **database interaction**.

Experience

Web Development Intern [Link](#)

June 2024 - July 2024

Edify Techno Solutions

- Acquired advanced proficiency in Frontend development during the internship by developing E-Commerce website.
- Integrated MySQL databases into web applications to efficiently manage data, including performing CRUD operations to enhance functionality.
- Improved data accuracy and user experience with robust form validation and error handling. Improved data accuracy and user experience with robust form validation and error handling.
- Optimized application performance through refined code and efficient database queries. Utilized Git and GitHub for seamless version control and collaborative teamwork.

Certifications

- Web development with HTML, CSS, and JS - Coursera [Link](#)
- Java Full Stack - Wipro [Link](#)
- Java Full Stack Developer Specialization - Coursera [Link](#)
- JavaScript - Udemy [Link](#)
- SQL - Infosys Springboard [Link](#)
- JavaScript - Cisco [Link](#)
- Java - Infosys Springboard [Link](#)
- Git and GitHub - Geekster [Link](#)
